Workshop 2 (student) 11:05 - 12:20	Student 1: Video Editing (the magic of editing) Led by Ethan Yi and Andrew Lee	Student 2: Interviewing (how to capture people's stories) Your parents always told you to	Student 3: Audio Basics (Dive into Media Tech tools) Lights! Camera! Action! In this	Student 4: "Into the Gu" (capturing the stories hidden in plain view) Our VoiceLab	Student 5: Sound mixing & music (creating powerful responses with audio and video)	Student #6 Down to the Basics (shot angles and framing)	HS

	<p>from VoiceLab. They will introduce participants to the basics of editing and video software. Participants will get hands-on experience as they experiment with these tools through a variety of fun challenges. This workshop is a must for anyone who wants to take their editing skills to the next level.</p> <p>HS ROOM: 302</p>	<p>“never talk to strangers.” However, in this workshop, you are going to defy your parents – you will definitely be speaking to strangers! Led by Judah and Kai from VoiceLab, this workshop will give you the tools needed to approach total strangers so you can strike up a conversation and capture their amazing stories. You will become more confident and this will translate into greater interviewing success.</p> <p>HS ROOM: 303</p>	<p>hands-on workshop, Carlson, Simon & Winston from VoiceLab will take you through the technology that will help you film and record a feature story. These tools include smartphones, H6 Zooms, H1's, and high-end Lumix G85's. Mastering tech tools takes time and effort, and this is a great chance to level up your skill set. No matter your skill level, you are welcomed to join in this active workshop!</p> <p>HS ROOM: 304</p>	<p>members have been using the tools given to them by Aaron Henkin from OOTB to gather empathy and capture the stories of the members in our local community. Erin and Emily from VoiceLab will be leading participants with the essentials of capturing quality interviews by using active listening and empathy to find the stories hidden.</p> <p>HS ROOM: 306</p>	<p>Have you ever watched a video and out of nowhere you feel chills down your back? This workshop led by Hajo and Tyler from VoiceLab will give you the skills to be able to stimulate your viewer's senses. Through the proper use of audio and music, these skills will leave your viewers wanting more. If you're looking for the tools to give your viewers goosebumps, then join this workshop!</p> <p>HS ROOM: 307</p>	<p>This workshop led by Jack and Toni from VoiceLab will guide the participants through the basics of capturing quality footage. They will walk you through the essentials of setting up your G85 Lumix camera so you can tap into its potential. Regardless of your situation in the field, Toni and Jack will provide you with the skills to feel like the next Scorsese, Tarantino, and Spielberg.</p> <p>HS ROOM: 309</p>
